

WHERE ARE THE JOBS?

ManpowerGroup Employment Outlook Survey

SINGAPORE
Q2 2020

622 Singaporean employers shared their hiring plans for Q2 2020

+9%

Singapore's
Q2 2020
Net Employment
Outlook

The Net Employment Outlook is derived by taking the percentage of employers anticipating total employment to increase and subtracting from this the percentage expecting to see a decrease in employment at their location in the next quarter.

The Net Employment Outlook has been seasonally adjusted.

Industries with Strongest Jobs Outlook

Services (+12%)

Finance Insurance & Real Estate (+11%)

Transportation & Utilities (+11%)

Public Admin & Education (+10%)
